

SUBJECT: A month of celebrating YOU!

A month of celebrations all for YOU!

Get ready for an unforgettable educator experience

Horace Mann is a long-time corporate supporter, and they are beyond grateful for educators every day, and Teacher Appreciation Week is one of their favorite opportunities to thank you for everything you do.

But this year, they decided one week simply wasn't enough time to show their appreciation. So they've curated an incredible lineup of **free entertainment** and **amazing giveaways** to help you relax, reset and rejuvenate all month long!

- **Ten virtual events**
- **\$6,500 in prizes**
- **Four weeks long**

Don't miss the first events

- Horace Mann is kicking things off on April 30 with **Dianna Russini**, sports journalist and NFL reporter who will talk about her reporting career and rise to leadership in a male-dominated field.
- On May 1, you're invited to cook with celebrity chef **Fabio Viviani** as he shows you how to whip up a classic, family favorite recipe.
- Then on May 6, you can sit back, relax and enjoy a laugh with **Lucas Bohn**, a former teacher who's now a nationally touring comedian.

Horace Mann is also giving away some awesome prizes, including **gift cards for Apple, Southwest Airlines, StubHub and more!**

This event is open to anyone in the field of education. So, please share with your employees and encourage them to join the celebration!
