The Leadership Institute Seminar:

Supporting Students to Succeed with Text Dependent Writing

Presenter: Jennifer Kincaid

Imagine students wanting to improve their writing - just because! Join Jennifer Kincaid and learn evidence-based and standards-aligned writing practices and strategies to engage students in the writing process. These strategies will help students organize ideas, craft powerful sentences, develop voice, elaborate on their thinking, and revise with purpose while crafting authentic writing. Leave this institute with knowledge to grow writers and support students in giving and receiving formative feedback around writing.
